

3 DAYS

In the first 3 days your dog will feel..

- Overwhelmed
- May be scared and unsure of whats going on
- Your dog will not feel comfortable enough to be him/herself.
- Will test boundaries
- May not want to eat/drink or go to the bathroom.
- May want to hide in their crate or under/behind furniture.

3 WEEKS

After 3 weeks your dog will feel..

- Your dog will start to settle in.
- Your dog will start feeling more comfortable.
- Your dog will start getting into a routine.
- They have figured out their environment.
- Your dog will start realizing this is their forever home.
- Your dog will start letting his guard down & will start showing their true personality.
- Behavior issues might start showing up.

3 MONTHS

After 3 months your dog will feel..

- Your dog will finally feel comfortable in their home.
- You will have started to build trust & a true bond together.
- Your dog will be set in a routine..
- Your dog will have gained a complete sense of security with you, their new family!
